

## Study Online / On-Demand

### Professionally-Developed Learning Materials

You'll receive our comprehensive **prep course materials**; study guide, practice exams, and summary notes. (We'll send by mail, or provide immediately in PDF form) *These are the same proven learning materials provided in our January / June prep classes.*

### Access Instruction Anytime

We'll be with you every step of the way! Work through your course materials with the help of our on-demand **instructional videos**. See and hear every concept explained, along with every practice question from your booklets. And unlike in a regular class, you'll be able to pause or rewind instruction, to ensure you fully comprehend before moving on.

### No Shortage of Practice

Course materials include plenty of exam-style practice questions reflective of the most current exam bulletin and curriculum changes. **(Including the new written response in math)** We'll keep you focused only on types of questions you're most likely to see on your exam!

### Online (On-Demand) Courses Available:

English 30-1

Social 30-1

Math 30-1 or 30-2

Chemistry 30

Biology 30

Physics 30

**\$69** per course

**Start right away!** We'll mail out course materials as soon as you register, along with instructions to access the instructional videos.
