

Course: Math Pure 30 RTD Teacher: Elaine Jacklin

- The teacher was very well prepared and experienced in the subject
- She made it fun - could have some more breaks
- Review was very helpful

Elaine Jacklyn is AMAZING - she is wonderful at explaining things in different ways.

This course was so helpful and I would recommend it to anyone. Elaine is an awesome teacher and she really knows what she's talking about.

Was a fantastic Review! It's a good start and it teaches you valuable tools and will make studying on my own easier. Jodi and Elaine were amazing and it's nice having 2 teachers to help you with your questions.

Elaine was a fabulous teacher!!!

Course: Math 30 RTD Teacher: Elaine

- she was very easy to listen to and explained anything we didn't understand.
- she gave us really good advice/tips to answering questions
- snacks make everything better! LOL!

Course: Math 30-1 RTD Teacher: Elaine Jacklyn

was good to see a new way of doing things/
perspective, new strategies
snacks were good!
small class size made it good for 1-on-1 help.

Course: Math 30-1 RTD Teacher: Elaine Jacklyn

For a math review having an assistant to also answer questions is extremely valuable.
Students need lots of time to work and have questions answered.

Course: Math 30-1 RTD Teacher: Elaine Jacklyn

The course was well put together and the instructor was amazing. Learned so much. The group was very attentive. Snacks were great.

Course: Math 30 RTD Teacher: Jacklyn

Smart teacher, good snacks, break time, location. Worked well for me as a west sider.
