Teacher was great! Super helpful, nice & understanding. You could tell she wanted to be there and wanted to help us do well

Course: Bio 30 RTD Teacher: Rebecca

McEvey-Halston

Lots of great tips and memory tools for all the units. The "must" list is an effective study guide. Class was more enjoyable than I previously expected.

I learned so much in this course, I feel way more confident in my ability.

Rebecca kept it energetic & was very well prepared

Thought this course was amazing. Provided a lot of educational stuff and was a great review for the Diploma. This has helped me a lot and I feel so much better now than I would've studying on my own!

Course: Biology 30 RTD Teacher: Mrs. Mac

The teachers were very enthusiastic, you could tell that they loved their jobs very much.
