

Three South Calgary Locations:

What Should I Bring? All courses will include comprehensive review packages, and where applicable formula / data sheets, reference tables, etc. You may want to bring extra paper for any additional notes. Where applicable, please bring your graphing calculator, thesaurus, and other course supplies.

What Can I Expect for Breaks? Expect several 10-15 minute breaks, about every 70 minutes, and where applicable a 40 minute lunch break. At RTD we know that effective learning requires mental breaks, so students can feel free to leave class whenever they need.

What About Food? I'm glad you asked, I can see you are a thoughtful planner. You may find vending machines or nearby restaurants depending on the campus. We strongly encourage students to bring plenty of water and healthy (or otherwise) snacks, because some classes can be long and we want you at your best! Here are some of the restaurant options by location:

- **SAIT** There are food courts (limited weekend hours) and North Hill mall
- **ACADIA REC COMPLEX** There is a small cafeteria on site, and 7-11, Starbucks, and A&W within walking distance.
- **CANYON MEADOWS COMMUNITY HALL** Nothing on-site, subway and other options a short drive away on Elbow Dr.

What if I'm late? If you are going to be more than an hour late for the first class we'd ask that you please call or email to let us know. We'll do our best to accommodate any students who miss portions of their review, including arranging make-up time in a different course section.
