

Study Online / On-Demand

Professionally-Developed Learning Materials

You'll receive our comprehensive **prep course materials**; study guide, practice exams, and summary notes. (We'll send by mail, or provide in PDF form) *These are the same proven learning materials provided in our January / June prep classes.*

Access Instruction Anytime

We'll be with you every step of the way! Work through your course materials with the help of our on-demand **instructional videos**. See and hear every concept explained, along with every practice question from your booklets. And unlike in a regular class, you'll be able to pause or rewind instruction, to ensure you fully comprehend before moving on.

No Shortage of Practice

Course materials include plenty of exam-style practice questions reflective of the most current exam bulletin and curriculum changes. We'll keep you focused only on types of questions you're most likely to see on your exam!

Online (On-Demand) Courses Available:

English 30-1

Social 30-1

Math 30-1

Chemistry 30

Biology 30

Physics 30

\$60 per course

Start right away! We'll mail out course materials as soon as you register, along with instructions to access the accompanying instructional videos.
