

At RTD we're pleased to offer two **fall** study options:

① **Live, Interactive ONLINE CLASSROOM**

② **In-Person at SAIT (Calgary)**

An Interactive Learning Experience

Just like being in our traditional diploma prep classes – from the comfort of your home! In RTD's **online classroom** students are guided in real-time by their certified teacher – there to answer questions and personalize instruction. See class notes, participate in discussions, polls and quizzes, and interact with fellow students. *I was unsure at first, but after taking three RTD online courses – I can focus better and like it more than regular classes!* - Tiffany S, Jan 2017
