

greg was a very good/knowledgeable teacher. He made it fun. I learned a lot more than I would have if i didnt take this. snacks were good!

Greg was excellent, made the class very enjoyable and knew exactly what we needed to know + how to relay the information. He had several systems of learning that helped simplify things. Also, booklets were excellent.

Greg was awesome, the booklet was helpful, and I felt like it was a good review.
I also liked the oranges

Course: Bio 30 RTD Teacher(s): Greg W.

It was GREAT! A really good review and I gained a very strong understanding in everything than what I had before!

I probably wouldn't have studied without the course! It was VERY helpful. and it was helpful to have the diploma style questions in the packages.

Course: Bo 30 RTD Teacher: Greg W

I really enjoyed this course, it was really helpful and taught me more than I had learned all year. I picked up lots of helpful tips.

Greg is a beauty! He is knowledgeable and engaging

The teacher, Greg, was excellent! I enjoyed his perspective of the bio 30 course, and how he narrowed it down to what we really need to know.

The class was great. Greg was awesome.

Its very helpful and comforting, Greg had nice teacher humor. -Maybe a full lunch hour...

Course: Bio RTD Teacher(s): Greg W

This course was enjoyable. It helped me realize what I was missing when I was studying on my own.

Course: Biology 30 RTD Teacher(s): Mr. Greg Wik

- Great opportunity
- Knowledgeable instructor
- Easy way to learn / reinforce concepts
- will help me do better on diploma
- gave confidence
