

Course: Chemistry 30 RTD Teacher(s): James Kriese

Thank You so so much for teaching the chemistry course. I pretty much didn't understand anything before I came to this course, so it was super helpful! I feel a lot more confident entering the diploma now. Thank-you! 😊

Mr. Kriese is great, He clarifies stuff I have missed or have not understood in class. The diploma practice multiple choice questions for each of the Units I found helpful to prepare for the Diploma.

This course is very ~~wasn't~~ helpful. I feel more confident going into my diploma exam now. It was nothing like I expected. I thought it was going to be boring, but it wasn't. Mr. Kriese is really great. I learned so much from him and he was very willing to help us if we need it.

I found this class extremely helpful and I know my diploma mark will reflect it. It was constructive set aside time to study and make sure I understood all the concepts. Mr. Kriese was fantastic!

Mr. Kriese was an excellent instructor and kept the class quiet enough for us to work, but still fun.

I will definitely be recommending RTD to my friends 😊

Kriese is amazing, They obviously know how and who to choose to educate the youngins such as myself. I recommend him as a teacher even if he gets bored, because students won't as his boredom is quite humorous.

Teacher was a good guy. Knew what he was talking about and had a good sense of humor.
