### ALL COURSES INCLUDE

✓ **Recorded Screencast Login Code** Access all course instruction through on-demand videos that cover all course content.

Screencast.com®

✓ **Professionally Developed Course Study Booklets**  
Sent by mail or made available for PDF download

✓ **Practice Tests with solutions**

### WITH ENGLISH, MATH 30-1, AND CHEMISTRY ALSO GET...

✓ **5 – 10 Hours of Live, Interactive Online Instruction** **GoToTraining®**

· Just like being in a regular face-to-face class, from the comfort of your home. Led by one of our certified, proven teachers you'll be able to ask questions (text or voice chat), "raise your hand", and participate in classroom polls.

✓ **Learning Support by Chat, Email, or Phone**

#### Students always tell us...

*Learning online is in some ways better than in regular classes!*

- Easier to ask questions
- Can always "see the board" / hear the teacher
- Don't have to leave home!
- Fewer distractions

**Note:** Students in these courses can also access all instruction on-demand via screencast.com recordings.

Online classroom courses are subject to adequate enrollment to run.
