Why are some classes designated A or B?

### With FLEX courses you choose your own schedule.

Any classes designated A or B are identical, we run some classes twice so students can attend whichever works best.

#### Examples:

For **Math 30-1 MAIN Opt 1**, the first class runs twice, attend on either June 10th (1A) **or** June 15th (1B).

For **Biology MAIN Opt 1**, choose the A **or** B option (mix & match) for each of the four classes.

### FLEXIBLE LEARNING

Signing up for an RTD course gives you access to classes from any other option we run, at any location including our online courses.
